

HOW MANY HEATERS DOES THE JOB NEED?

Estimate with confidence wherever you are.
Now includes all L.B. White Construction heater types.

Download our **Heater Estimator app** on your smartphone.

Go to www.lbwhite.com/HeatEstimator in your smartphone web browser.

THEN:

For Android

- Select the three dots in the upper right corner of your browser window.
- Select "Add to Home Screen."
- Name the App what you like, or leave as-is, and select "Add."
- Choose the icon size you prefer (there may only be one option) and select "Add."

For iOS (iPhone)

- Select the Action (Share) icon
- Choose "Add to Home Screen"
- Name the App what you like, or leave as-is, and select "Add."
