To our valued customers,

**Subject: Organizational Changes**

In the coming weeks you will be noticing some changes in how L.B. White and Reeves Supply conduct business as we continue to integrate. These changes will be as seamless as possible and should have no effect on day-to-day business transactions. Some of these changes will include invoices coming from L.B. White instead of Reeves and some catalog items from Reeves transitioning to the L.B. White price book.

We look forward to serving you as we begin to implement these changes and welcome any questions you may have during this process. Thank you for your continued business.

Sincerely,

A handwritten signature in black ink that reads "David Long".
